Rubbish Fire Almost
Proves Disastrous

Jess and Ace Atwood had a near disaster this week, when a rubbish fire got out of hand and started a prairie fire, on their farm near Lucky Strike. Mrs. Ace Atwood tried in vain to put it out and had to drive some distance to the field to get the men to help. Neighbors several miles away, seeing the flames and smoke rushed to the scene and with their help and equipment they were able to bring it under control after an exhausting 2 hour battle.

They were most fortunate to get it stopped just before it reached their crops, destroying only the grass land.

The Wednesday Nite Club met this week at the home of Mrs. Leola Meeks. Prizes for the best score in Rook, went to Syble Vanderhill and Olive Fisher was rewarded the "Booby" while Laree Dahl received the Traveling Prize. A most delicious lunch was served by the hostess.

Mrs. Laree Dahl visited in Magrath on Wednesday with her sister Mrs. Bert Jensen.

Give Them A Chance

The wonderful work done by our volunteer Fire Department is oft times hampered by the crowds and cars that follow, or even precede, the Fire Truck to the scene of the blaze. Each and every citizen can aid the fire fighters by keeping out of their way. The Town has passed a by-law covering this situation — for your own protection read it through carefully.

Mrs. Lizzie Wall and Eldon, were Sunday visitors in Taber at the home of Mr. and Mrs. Melvin Wall.

Mrs. Gladys Liddle spent the week-end in Blairmore with her son-in-law and daughter Mr. and Mrs. Larry West.

Mr. and Mrs. Wm Jensen were Calgary visitors on Friday of last week.

Provincial Vice-Pres.
Addresses Local
Hospital Auxiliary

The Raymond Hospital Auxiliary met at the Hospital on Wednesday 16, day of September. Much business was discussed and two delegates were chosen to go to Edmonton in October for the Annual Provincial Conference.

Mrs. Doris Zobel introduced Mrs. Louise James President of the Magrath Hospital Auxiliary, and Vice Pres. of the Provincial Auxiliary. She led the discussion during the afternoon which was most enjoyable.

Lunch was served by the hostesses, Mrs. Fontella Hawkins, and Mrs. Hazel Meldrum.

Mrs. Floyd Winters accompanied her husband to Edmonton, last week-end with a load of cars.

Poppy Day Planned
By Legion Ladies

The Ladies Auxiliary to the Canadian Legion held their monthly meeting this week.

Roll Call was a joke, poem, or an embarrassing moment.

Item discussed was the Legion Ladies Auxiliary and Poppy, Tea and Bazaar, to be held Saturday November 14th, from 2 p.m. to 6 p.m.

It was suggested by the Vets that the Ladies Auxiliary take over the street sales of Poppies on Poppy Day and the Air Cadets canvas the residential districts.

Next general meeting will be held Monday October 12th, at 8:15 p.m. All members are asked to be present.

Mr. and Mrs. Geo. Atwood of Cranbrook, B. C. visited in town one day last week.

TAYLOR STAKE YWMA are having a bazaar, pantry and rummage Sale on Friday November 13, in the 2nd Ward Hall.

The Rotarians and their Rotary - Annes spent a very enjoyable evening at the home of Mr. and Mrs. Jim Grant on Friday when Rook was played for fun and prizes. Mr. and Mrs. Gilbert Wells won the prize for High couple Lee Brewerton High man and Mrs. T. Geo. Wood High lady while Mrs. Harry Stevens and Dr Taylor took the consolation prizes.

After the tasty lunch was served Frank Taylor, accompanied by Mrs. Harlan Taylor, led in Community Singing which included some peppy Rotary tunes.

They Enjoyed Their Trip

Mr. and Mrs. Gordon Rasmussen recently returned from an extended trip East.

They took the big diesel flyer from Shelby to Chicago and on to Detroit and then took the bus to Windsor, where they picked up a new car for the return motor trip.

In spite of the heat wave which was on they visited the big city of New York, then on to the Honeymoon city and the famous Niagara Falls. They were thrilled with their visit to Palmyra, Carthage Jail and Navoo, which is of great importance to LDS people.

With temperatures in the 90's they enjoyed letting their new car out on the famous Pennsylvania Turnpike, 325 miles of unbroken 6 lane highway, with no towns, cities or cops either apparently by the speed they traveled to slow them down. After a visit in Salt Lake City, they came home by the B. C. route, enjoying the peaches and grapes picked fresh from the trees. All in all they travelled over 7000 miles in 2½ weeks, but they still like, and are glad to be back, in their little old home town.

A LETTER TO THE EDITOR

Raymond, Alta.
Sept. 23, 1953

Raymond Recorder.

Dear Mr. Hamilton:

With your kind permission we would like to use your paper to publicly thank The Raymond Fire Brigade for their great service in arresting the fire which broke out in our home yesterday. We know that in this expression of gratitude we voice the sincere thanks of all the Raymond people. Every man, woman and child speaks with just pride of the efficiency and swift way in which they respond to their call as fire fighters. One of many comments which were expressed to us was one made by Mrs. Reva Heggie, she said, "Ken Stone timed the fire brigade, and while the siren was still sounding, men were speeding by down Main Street towards our home, the time was fifty seconds. Smart work fellows, we do so appreciate your promptness. My wife said to me, 'Tom you should of seen those men, they were like a swarm of bees, everywhere at once'. My wife noted also that you have nothing to protect you from falling debris. If you have not the helmets etc. we would be happy to contribute towards obtaining these essential things. We are sure the people of Raymond would gladly respond to such a fund.

We would also like to take this opportunity of thanking the Nurses for their prompt action in throwing soil on the blaze, when we learned that a matter of ten minutes or more had elapsed between the start of the fire and the report of the alarm, we acknowledge the fact the Lord works in a mysterious way His wonder to perform, for according to natural law our home would have been completely burned down.

We thank the good people of Raymond for your sympathy and kindness to us, such thoughtful actions as these bind us together as a community.

We appreciate the attitude of the parents of the boys in the expression of their sorrow, and willingness to help defray the cost of the damage.

May we again offer our profound thanks to the Raymond V. I. P.'s (Raymonds very important people).

Yours respectfully,

Mr. & Mrs. Tom Rudd & Family.

Sumi Iwassa And
California Man
United In Marriage

An attractive Autumn wedding was solemnized in the Taylor Stake House, on Wednesday, September 9th when Sumi Iwassa, daughter of Mr. and Mrs. Henry K. Iwassa, became the bride of Takashi (Tyke) Hattori, son of Mr. Takeji (Tom) Hattori of Long Beach, California. Bishop Rulon Dahl performed the double ring ceremony at 2 o'clock in the afternoon. Bouquets of white gladioli flanked the flower covered arch. A profusion of flowers decorated the hall and rotunda, some being flown in from Los Angeles.

During the signing of the register a Ladies Trio, Gen Hawkins, Laura Watson, and Velma Bigelow sang "O Promise Me", accompanied by Mrs. Emma Dahl, who also presided at the organ for the wedding march.

A finger tip Chapel veil of French illusion net, misted from a pearl studded coronet. She carried a cascade bouquet of red roses, fringed with white hair lace.

Attending the bride were her sisters Miss Kuni Iwassa, as Maid of Honor, who wore a ballerina length gown of pink lace net with pleated inset. For her daughters wedding Mrs. Iwassa chose a navy crepe suit with grey accessories, complimented by a corsage of red and pink carnations.

Following the ceremony a reception was held.

A beautifully appointed brides table was centred with a three tiered wedding cake, ringed with white gladioli and tall pink tapers set in floating bouquets.

Edward Shimbashi of Barnwell was the able Master of Ceremonies, to the very enjoyable program consisting of a trio from Gen Hawkins, Laura Watson, and Velma Bigelow, "Poor Butterfly", after which Jeanine Jensen sang was one made by Mrs. Reva Heggie, "The Lords Prayer". Roi Stone rendered an organ solo followed by "The Brides Prayer" read by Hanaye Iwassa. The Toast to the Bride was given by Pres. J. H. Walker, to which the groom responded. Mrs. Edda Brandley then gave "The Prayer for the Bride, the Mother, and the Bride and Groom". After which Mary Stringham of Lethbridge played two selections on the Musical Saw. Telegrams were read by the M. C. and then Jeanine Jensen sang "Because" as the closing number.

Assisting at the Reception were, Mr. and Mrs. Wm Anderson, Mr. and Mrs. Louis Brandley, and Mr. and Mrs. Lonnie Stringham, who greeted the guests. May Shimbashi was in charge of the Guest Book. Presiding over the gifts were, Matsuyo Moriyama, Aileen Amundson and Yoshiko Kitagawa. Ann Turner, Ella Hancock, Phoebe Dahl, Gladys Audenart, Ruth and Elaine Salomon, and Fay Depew were in charge of the refreshments. Serviteurs were Edna Kubota, Alice Moriyama, Norma and Nadine Meldrum.

Mr. and Mrs. Hattori will take up residence in Los Angeles, California.

Mr. and Mrs. Alan Heggie were business visitors in Calgary last week.

Norma and Nadine Meldrum have gone to Calgary to take a business course.

Artist Launches Career at Tender Age of Ten.

While other children his age are still dabbling with crayons, 10-year-old William Doyle of Ottawa has launched his first one-man show of oil and water color paintings. Twenty-six of his pictures are on display at the Canadian Repertory theatre playhouse in the capital, which has been displaying the works of Canadian artists for several seasons. Despite his years, William has considerable experience in painting, having decided to become an artist after painting a self-portrait at the age of four. His admirers say his paintings are usually done from imagination and show a good sense of color.
